

Dice Set "Rolling Dice" ABC

13 pcs. in a box, made of wood

Game instructions

Tournament

You play 3 rounds, one per game, in the following order: Game 1, Game 2, Game 3.

At the end of each round, the winner receives 10 points, the runner-up 7 points, and the third-placed player 6 points, and so on, down to 3 points per player (for six players).

There is no tie for first place: a single player receives the 10 points. From second place onwards, players may share the same number of points.

When playing a tournament, the target score is reduced: 25 points for game 1, 21 points for game 2 and 2 points for game 3.

In the event of a tie, the winner is the player with the most points after the second game.

May the best man win!
