

# 26. Januar

Am 26. Januar 1790 wird Mozarts Oper „Cosi fan tutte“ in Wien zum ersten Mal aufgeführt. Bereits im Alter von 5 Jahren beginnt Mozart zu komponieren. Er notiert ins Notenheft seiner Schwester Nannerl ein Allegro (freudiges Stück) für Klavier.

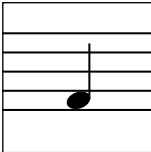

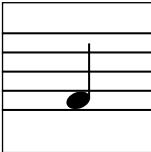

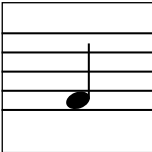

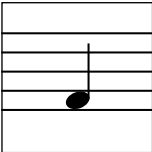

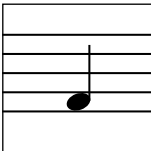

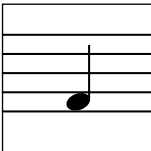

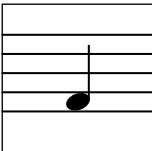

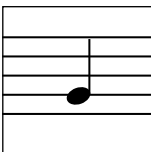

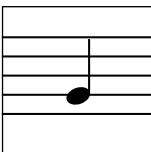

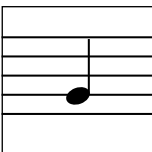

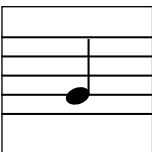

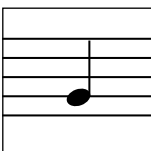

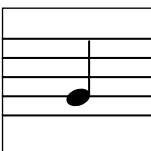

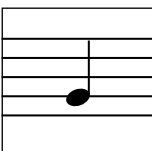

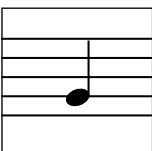

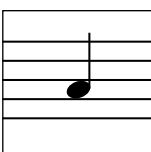

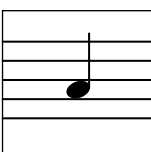

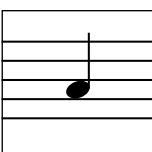

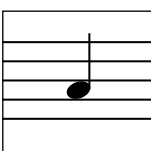

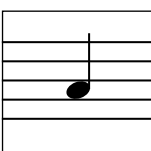

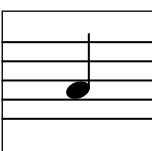

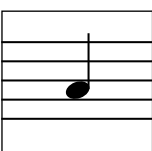

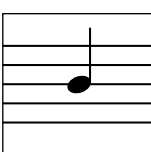

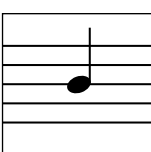

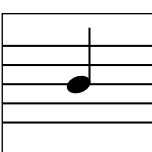

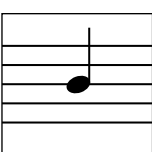

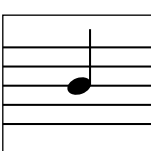

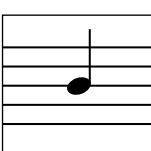

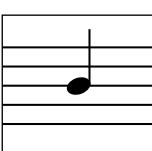

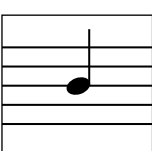

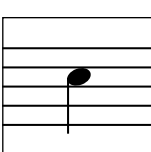

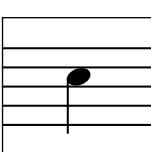

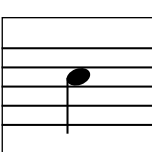

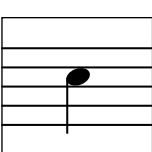

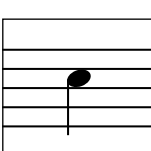

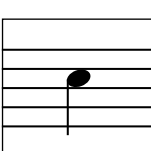

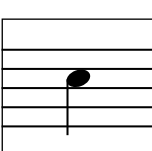

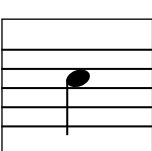

Mit dem folgenden Notendominomino ist auch für dich das Komponieren nicht schwer. Schneide die Dominokärtchen aus und suche dir einen Partner oder eine Partnerin. Einer von euch legt ein Dominokärtchen auf den Tisch. Der Nächste muss an den Notennamen die passende Note anlegen. Wer kein passendes Kärtchen hat, muss ausetzen.

Gewonnen hat, wer zuerst keine Kärtchen mehr hat. Jetzt spielt ihr die gelegten Noten auf einem Instrument der Reihe nach vor oder singt sie nach.

Und wie gefällt euch eure Komposition?
